Department of Resources and Development,
Currently, no Existing Legislation Regarding the Use of Antimicrobial Agents as growth promoters in animal feed.
Current situation

- No Legislation in place
- Volunteer Monitoring
- Guidelines: USA and Australia Laws on Use of Antibiotics
- No Capacity to Test nor Resource to Control Use of Antibiotics
Way forward

➢ Monitoring of Animal Feed Import Outlets

➢ Local Farmers Awareness (systematic)

➢ Propose Legislation related to the Control of Antimicrobial Use in Feed for Growth Promotion.

➢ Status Quo
