Training Seminar for OIE Focal Points for Veterinary Products, 6th Cycle

Working Group – Substandard and Falsified Veterinary Products

Kuala Lumpur (Malaysia), 14-16 January 2020
Documents provided for the working group:
1. Questionnaire to be used as basis for discussion with
   - Three priority questions (Q 1-3)
   - Five additional questions if time allows (Q 4-8)
2. List of definitions for substandard/falsified products for reference
   Rapporteurs, please answer the questions for all countries in your group.

General instructions:
- The main aim of the session is to better understand what exists in terms of surveillance for veterinary product quality.
- Please fill in the questionnaire for your country with as much information as possible and hand it back to Rebecca before the end of the last day.
- Short answers are fine (though detailed comments are appreciated)
